

To Whom It May Concern,

We had the pleasure of working with Jim Acker and Fireworks America this past holiday season for our Holiday Party on the USS Hornet. We were lucky to have Jim, as he dealt with local authorities regarding our permits and also produced an amazing show for our party. He was very responsive to our requests, had great ideas for how to best utilize our budget, and we ended up with a great show which was timed perfectly with the soundtrack they had created just for our party theme. Although it was a freezing cold night, which required guests to stand outside to enjoy the show, the cold seemed to dissipate when the show began. We have gotten so many compliments on the enormity of the event and we can't be more thankful to Fireworks America for their hand in making it unforgettable.

We look forward to working with Jim again and I would highly recommend using Fireworks America to create a beautiful and breathtaking show for your event.

Sincerely,
