

To Whom It May Concern;

Jim Acker and the Fireworks America team provide our team and arena with some of the best pyrotechnics in the business. They do so with the utmost professionalism and integrity. Jim makes my job easier by coordinating with the city fire department for permitting and by providing a consistently great performance night after night. I highly recommended the Fireworks America team for anybody in need of pyrotechnics at their upcoming event.

Sincerely,

A handwritten signature in black ink, appearing to read "Brad Brown", written over a white background.

Brad Brown, Manager of Operations
